DAVID IS DEFEATING GOLIATH ALL OVER AGAIN

Millions of people all over Ukraine have become refugees in other countries. Thank God, Kiev, the Capitol City is still intact even as Russian forces advance throughout the country. The advancing Russians continue to be repelled by the brave and more professional soldiers of Ukraine. We are seeing a modern-day David and Goliath battle right before our very eyes that no one in the world including the U.S. thought possible. The Ukrainian Believers together with their president Zelensky's is showing the world what can happen when God's people unite and knows in their heart that "the battles is the Lord's." Ukraine has the largest Messianic Congregation in the world, and they are teaching us what the power of prayer can do. I can almost hear the words of David again, "You come against me with might and power, I come against you in the name of the Lord."

PARTNER WITH US AS WE PARTNER WITH UKRAINE
The World Prayer Towers team has been in prayer for Ukraine. Now we will actively participate and partner with the Messianic Congregation of Ukraine as one of our Hebrew Torah Institute students leaves to represent us in Ukraine.

THE WORLD PRAYER TOWERS AND THE THE HOUSE OF ISRAEL JMI

We are happy to introduce you to our new partners in Messiah the **Kiev, Jewish Messianic Congregation (KJMC)** in Ukraine. One of our Hebrew Torah Institute students will be leaving for Ukraine where he will be teaching in one of Kiev's Colleges and represent Beth Israel JMI and the World Prayer Towers as Director and Emissary at large. We will be working directly with KJMC'S 52 military chaplains out in the field ministering to soldiers. The Army has a great need for spiritual support, and hundreds and hundreds of soldiers are responding to the "good news". Despite the war the congregation has continued their weekly Shabbat meeting and are seeing an exponential growth as Ukrainians are coming to Messiah Yeshua in ever increasing numbers.

MEET OUR REPRESENTATIVE TO UKRAINE. Patrick Vye will be leaving for Ukraine as soon as he is officially cleared to go. Lord willing that all the red tape will be cleared soon for his departure. We are planning a special sendoff service for Patrick Aye on Friday first Friday after we get the word. Patrick Vye is a student here at Hebrew Torah Institute and will continue his studies while in Ukraine and where he will be teaching I one of Ukraine's Colleges. He will represent the Hebrew Torah Institute as well of the World Prayer Towers..
